

### Here's what happens...

People bring a deaf man to Jesus to be healed. Jesus puts his fingers in the man's ears, then spits on his fingers and touches the man's tongue. Then Jesus sighs and says, "Be opened!" and the man can hear and speak!

### Bible Point:

Jesus is wonderful, so we expect good things from him.

*"For the word of the Lord holds true, and we can trust everything he does"  
(Psalm 33:4).*

### Family Together Time

- Play a game of "I Spy." Look for wonderful things throughout the week. (Hint: They might be ordinary things you take for granted!)
- Whenever someone sees something wonderful, that person will say, "I spy something wonderful!" Ask questions and find what they see.
- Together, thank God for the wonderful things he has done and created!
- Share about a time when God answered your prayer.
- Play a game of charades!
- Call or video chat with a friend, family member, or grandparent. Reach out to one person a day. Spread the love of Jesus!
- What is something wonderful someone has done for you? What wonderful thing can you do for someone this week?

### Talk-About It!

Watch the Talk-About video linked on our website and talk about this...

- What's the most wonderful thing you've ever seen? Was it made by people or by God?
- Which wonder, in the video, did you find the most wonderful? Why?
- Nothing compares to what God can do! If God can make the Grand Canyon, the northern lights, and the whole solar system, think of all the wonderful things he can do in your life!

### Church Announcements

- Even though we can't meet in person at church, I encourage you to stay connected by tuning in to our church services and Sunday school ONLINE!
- Jesus is a miracle worker! Send a letter or drawing to encourage someone you know who is sick or hurt. Pray for them and believe good things for them. Jesus heals!
