

### Here's what happens...

Jesus preaches a sermon known as “The Sermon on the Mount.” He talks about living differently than people expect by loving our enemies, giving privately, not worrying, not judging others, and more.

### Bible Point:

Jesus is different,  
so we live differently.

*“Worship the Lord with gladness. Come before him, singing with joy”  
(Psalm 100:2).*

### Family Together Time

Do things differently this week!

- Take a different route to a place you frequently go.
- Sit in different spots at the dinner table.
- When you get ready for bed, do things in a different order.
- Trade chores with each other.
- Eat with unusual utensils.
- Write with you opposite hand.
- Wear your clothes backwards.
- Think of other ways to do normal things differently.
- Talk about how Jesus wants us to live and how that's different from what people normally expect.
- Talk about one thing that's different about you because you love Jesus.
- Sing “This Little Light of Mine” and talk about how you can be a light according to Matthew 5:14-16.

### Talk About Video

Watch “[Fruit Basket Upset](#)” and talk about this:

- Which excuses did you hear that you thought were good excuses?
- What are some excuses you've made to take the easier way?
- Jesus wants us to live differently. Why is Jesus' way not always the easy way?
- Sometimes living differently isn't the easiest choice. It's hard to do on our own. But the good news is, Jesus is here to help us live His way.

### Pray About This...

Thank Jesus for being different. Ask Jesus to show you how to do things differently to show his love and his light to those around you.
