

### Here's what happens...

Paul is preaching late at night. A young man named Eutychus is seated in a window. Eutychus falls asleep and falls out the window to his death! But Paul, through God's power, brings him back to life. What a miracle!

### Bible Point:

God is miraculous,  
and he works through us.

***"Not to us, O Lord, not to us, but to your name goes all the glory for your unfailing love and faithfulness" Psalm 115:1.***

### Family Together Time

- Hang up a reminder to watch for times God wants to work through you. You might hang an exclamation point or a drawing of Eutychus on a window near your door or in your car.
- Whenever you go anywhere, look at the reminder and ask God to help you listen to his direction.
- When you feel like God wants to do something through you, do it! Remember, it doesn't have to be bringing a dead man back to life; it might be a simple wave or a kind, encouraging word that changes someone's day.
- Each day at dinner, talk with your family about how God worked through you that day.
- Praise God as you sing "[One True God](#)" and "[God of Great Wonders](#)."

### Talk About Video

Watch "[Caution: Open Window](#)," to see what a girl your age has to say about Eutychus' fall.

- Have you ever seen a miracle?
- Why do you think God chooses to work through people to do miracles?
- What amazing things do you think God might have in store for you?

God is miraculous and he works through us. God can do some amazing things through some very ordinary people. He might have some incredible miracles planned to do through you!
