

Here's what happens...

While the Israelites wander in the desert, they need food. They complain about how hungry they are and wish they had never left Egypt. But God is loyal and sends them food from the sky—manna (a mysterious bread-like substance) and quail.

Bible Point:

God is loyal, so we're loyal.

*"The Lord is compassionate and merciful,
slow to get angry and filled with unfailing love." Psalm 103:8*

Family Together Time

Gather your "manna and quail" to prepare for meals this week.

- When it's getting close to a snack or dinner time, hide packaged food or ingredients around the house.
- Challenge your family to find the food and remind them that the Israelites gathered the food God provided.
- After your family finds the items, work together to prepare the food. Thank God for loyalty giving you food!
- What can you do this week to show support and loyalty towards your friends or family? Maybe you could deliver cookies or treats, mail cards or pictures, or schedule a video chat this week? Think of something special you can do for someone this week.
- Talk about how God has been loyal to you and your family. Thank God for his faithfulness!
- Sing along to "[I Will Never Fail You.](#)"

Talk About Video

Watch "[The Birthday](#)" and talk about this...

- What would loyal friends do?
- What would a loyal friend do on your birthday?
- Tell about a time someone let you down, like Matt thought his friends had.
- Tell about a time your friends surprised you with something great.

Matt doubted his friends' loyalty like the Israelites doubted God's loyalty. But just as God came through for the Israelites, Matt's friends came through in a big way!
