

Here's what happens...

Peter and John see a crippled man begging for money. They don't have money for him, but they have bold faith and they can heal him! God gives Peter power to heal the crippled man. Then Peter makes a bold speech to the crowd, announcing that Jesus is God's Son and that the Jews rejected Jesus.

God helps us to be bold like Peter. There's power in the name of Jesus!

"This means that anyone who belongs to Christ has become a new person. The old life is gone; a new life has begun!" 2 Corinthians 5:17

Family Together Time

- Look through a cookbook or go online to find a bold-flavored recipe. Depending on your tastes, this can be anything from a hot salsa to adding onion to a burger. Work together to prepare your bold meal or snack.
- Eat your bold-flavored snack and describe the flavors. Then share how your bold snack can inspire you to be bold for Jesus.
- Sing along to "[Power Shuffle](#)" and praise God for the power he gives to help us to be bold!
- Think of one bold action you can do together as a family to help others this week. For example, you could do yardwork for an elderly person, deliver a meal to someone who is sick or tell a store cashier "Jesus loves you." What are some ideas your family can do to boldly share Jesus' love?

Talk About Video

In "[Charles' Story](#)", we meet a boy who isn't afraid to tell others about Jesus. God helps him to be bold and shares about Jesus in an interesting way!

- Tell about a time you weren't afraid to tell someone about Jesus or about something else you love.
 - What do you think is the boldest thing Charles does?
 - What do you like to do? How can you be bold in your faith like Charles when you do what you love?
- You can be bold by sharing Jesus' love wherever you are!
